

## Directions to TopChem

Address: Unit 70, Western Parkway Business Park, Ballymount Drive, Dublin 12. Tel. +353 (0)1 460 8818.

We are located in the western part of Dublin city. The easiest access is from the M50 which is approximately 1.5 km from our premises. The M50 is the peripheral motorway which stretches from the Airport in the north of the city to Dundrum in the south.

Travelling South on the M50: Exit at Junction 10 (Ballymount/Cookstown exit). Keep in left lane for Ballymount.

Travelling North on the M50: Exit at Junction 10 and turn right at the roundabout crossing the M50. Continue straight on at the next roundabout.

Merge with traffic and at the next roundabout TURN LEFT.

At the next roundabout (Ballymount Cross) TURN RIGHT on to Lower Ballymount Road

Continue on Ballymount Road passing Galco Steel (on right).

Continue straight on passing Ballymount Avenue on your right.

TURN RIGHT at the next right turn on to Ballymount Drive (GL Storefitting on the right hand corner).

Western Parkway Business Park is the second business park on the right just at the sharp bend (to the right at SILVER STITCH EMBROIDERY sign).

(Caution! Do not enter Western Parkway Business CENTRE, which is the first park on the right!)

Enter Western Parkway Business PARK and follow the road around the left hand bend and continue on up the estate until you reach a T-junction.

Turn right here and right again (you have no choice) and will see Topcon (no relation!) on your right.

TopChem (Unit 70) is between Topcon and Intentia.

If you get delayed or lost please phone: 01 460 8818
